

Application No. 10/669,521  
Amendment under 37 CFR 1.312

Customer No. 01933

R E M A R K S

Claim 1 has been amended to change "second cover" to "second case" at line 27 to correct an obvious clerical error. Clearly, no new matter has been added.

The amendment is necessary to clearly recite the features of the present invention, and was not presented earlier because the clerical error in claim 1 was only discovered due to further review of the Amendment filed on September 13, 2005.

The amendment to claim 1 does not require any substantial amount of additional work on the part of the Office, and no new issues with respect to patentability have been raised.

Accordingly, it is respectfully requested that this Amendment under 37 CFR 1.312 be approved and entered, in accordance with MPEP 714.16(d) (III).

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

Douglas Holtz
